About This Game

Dude Simulator 2 is an open world sandbox game. This is a life simulator. The main objective is to enjoy what you are doing. You can do whatever you want. You can explore the town, find money and spend it to buy something, kill someone, enter any building – just everything that can be done in real life. You can live a regular life of an ordinary person or you can do any crazy things, play jokes on other people, and so on – it is all up to you.

I really want to liike this game because judging by an initial look it looks funny to do dumb stuff with. It wasnt even that fun in or funny in the end. I recommend Postal 2, its the good version of this. It ended up just bad, I had some spare money so I bought it btw. i have a toy pistol, a domesticated chicken, unending drunkness, a slap but most importantly a working \u2665\u2665\u2665\u2665ing microwave. This game is absolute trash. Literally the worst game I've ever played, not even ironically fun
